Defendant derives substantial revenue from goods and services provided to individuals in Texas and in this district.

6. Venue is proper in the Eastern District of Texas pursuant to 28 U.S.C. §§1391 and 1400(b). On information and belief, Defendant has transacted business in this district, and has directly and/or indirectly committed and/or induced acts of patent infringement in this district.

**COUNT I– INFRINGEMENT OF U.S. PATENT No. 6,310,864**

7. Plaintiff refers to and incorporates herein the allegations of Paragraphs 1-7 above.

8. The ‘864 patent was duly and legally issued by the United States Patent and Trademark Office on October 30, 2001, after full and fair examination. The ‘864 patent is in full force and effect. Plaintiff is the owner by assignment of the ‘864 patent and possesses all rights of recovery under the ‘864 patent, including the exclusive right to sue for infringement and recover past damages.

9. Defendant owns, operates, advertises, controls, tests, sells, and otherwise provides systems and methods that infringe the ‘864 patent. The ‘864 patent provides, among other things, “A method of electrical communication via a first simultaneous voice and data modem associated with a switching hub of a communications network, comprising the steps of: (1) transmitting and receiving a modulated simultaneous voice and data signal using said first simultaneous voice and data modem to and from a second simultaneous voice and data modem located at an endpoint of said communications network; (2) transmitting and receiving a voice signal using said first simultaneous voice and data modem to and from a communications device via a switching network; (3) transmitting and receiving a data signal using said first simultaneous voice and data modem; (4) and canceling a voice echo originating in said switching network using an echo canceler associated with said first simultaneous voice and data modem, said voice echo experiencing a delay resulting from the modulation and demodulation of said simultaneous voice and data signal in said first simultaneous voice and data modem and said second simultaneous voice and data modem.”

10. Defendant directly or through intermediaries, made, tested, had made, had tested, used, imported, provided, supplied, distributed, sold, and/or offered for sale products and/or

systems and methods of electrical communication via a first simultaneous voice and data modem associated with switching hub of a communications network, that infringed one or more claims of the '864 patent in this district and elsewhere in the United States, Particularly, Defendant makes, uses, tests, provides, offers for sale, and sells their product entitled Venue 11 Pro 7000 ("Accused Instrumentality") which directly infringe the '864 patent.

11. Defendant's aforesaid activities have been without authority and/or license from Plaintiff.

12. In addition to what is required for pleadings under Form 18 for direct infringement in patent cases, and to the extent any marking was required by 35 U.S.C. § 287, Plaintiff and all predecessors in interest to the '864 Patent complied with all marking requirements under 35 U.S.C. § 287.

13. Plaintiff is entitled to recover from the Defendant the damages sustained by Plaintiff as a result of the Defendant's wrongful acts in an amount subject to proof at trial, which, by law, cannot be less than a reasonable royalty, together with interest and costs as fixed by this Court under 35 U.S.C. § 284.

#### **JURY DEMAND**

Plaintiff hereby requests a trial by jury pursuant to Rule 38 of the Federal Rules of Civil Procedure.

#### **PRAYER FOR RELIEF**

Plaintiff respectfully requests that the Court find in its favor and against the Defendant, and that the Court grant Plaintiff the following relief:

- A. A judgment in favor of Plaintiff that Defendant has infringed one or more of the claims, directly, and/or jointly of the '864 patent;

- B. An award to Plaintiff of damages adequate to compensate Plaintiff for the Defendant's acts of infringement together with pre-judgment and post-judgment interest;
- C. That this Court declare this to be an exceptional case and award Plaintiff its reasonable attorneys' fees and costs in accordance with 35 U.S.C. §285; and
- D. Any further relief that this Court deems just and proper.

Dated: July 17, 2015

Respectfully submitted,

By: /s/ Brandon LaPray
